Telehealth/TeleCounseling

Telehealth/Telecounseling refers to diagnosis, consultation, billing, client education, and professional education/training delivered via electronic technology. This allows clinicians at West Texas Counseling & Guidance to connect with clients using interactive video/audio data communication. One benefit is that the client and clinician can engage in services without physically being in the same location. This can be beneficial if the client moves to a different location or is unable to meet in person for appointments. It can also serve as an opportunity for treatment that may not be accessible for the client in their location.

Some of the WTCG therapists practice both face to face and telecounseling means for appointments, please visit with the receptionists to determine if these options are available to you. On occasion, appointments may be switched between the two types of sessions if appropriate and both parties have the capacity.

Crisis Management Plan:

I understand that in the event of an emergency/crisis, or if the therapist is unable to clearly determine factors to ensure my own safety or that of someone else in the middle of my session, my therapist has the right to contact the following individuals for additional assistance:

1) Personal Contact:_____

   Phone Number(s):_____

2) Personal Contact: _____

   Phone Number(s):_____

3) Professional Contact:_____

   Phone Number(s):_____

I understand if deemed necessary, my therapist may request a Welfare Check to be completed, contact local authorities and/or 911. Lastly, my therapist may also make recommendations for alternative treatment or refer me for a next available crisis appointment with WTCG staff.

WEST TEXAS COUNSELING & GUIDANCE

No Shows, Cancellations, & Payment for Services

Client Name: _____

When you schedule an appointment with our staff, West Texas Counseling & Guidance reserves that time just for you. If you are not going to attend your scheduled appointment, we would like to give another client the opportunity to take that opening. It affects our funding, our ability to budget our staff, and staff salaries when there are missed appointments. That is why we require **24-hour advance notification of cancellation**. Leaving a message with our answering service is fine, even on weekends. The time you called will be posted with the message. If you do not give 24 hours' notice before cancelling your appointment, do not show for your appointment, and/or are more than 15 minutes late more than two times in a three-month period, you may be asked to schedule with another therapist or moved to the WTCG wait list for services. Clients may also be charged a **$50 missed fee** prior to being seen again. If you are being seen for reduced fee and pay less than $50 per session, the fee will be your usual session charge. Those seen without a session fee will be charged $5 per missed session.
Clients with certain insurances cannot be billed the missed appointment fee - Medicaid, Employee Assistance Programs (EAP), or some private insurances. We appreciate the courtesy you extend to us by honoring this agreement. Please note that **we cannot bill your insurance company for missed sessions** or for late cancellations. All clients scheduled to be seen in the appointment must be present in order for the appointment to be considered kept (both partners for couples counseling, etc.)

Certain insurances may not reimburse for some services offered at WTCG; in the event that insurance does not reimburse for a service provided and the client does not qualify for one of several client assistance programs at WTCG, the client will be held responsible for payment for that service.

Counselor Discretion: The counselor may choose to continue to see the client without requiring same- day appointments. The counselor may also waive the $50 fee.

Weather Related: Missed appointments due to dangerous weather will not count as a late cancellation. Due to the counselors maintaining a set schedule:

- If you are 15 minutes late for 60-minute appointment, you may not be seen.
- If you are 10 minutes late for a 45-minute appointment, you may not be seen.
- If you are 5 minutes late for a 30-minute appointment, you may not be seen.

Court appearance: In the event disclosure of your records or the therapist's testimony are requested by you or required by law, you will be responsible for the costs involved in producing the records and the therapist's normal **hourly rate of $104.00** for giving that testimony. If a clinician is required to travel to a court location out of town, per diem and mileage are additional costs that you will be responsible for. Such payments are to be made prior to the time the services are rendered by the therapist.

By signing this agreement, I acknowledge my understanding of all the policies listed above. I accept and agree to all of the above terms during the course of my treatment at West Texas Counseling & Guidance.

Informed Consent for Psychotherapy/Counseling & Receipt of Privacy Practices

Client Name: _____

I have been provided with a printed copy of the *Explanation of Psychotherapy/Counseling Services and Notice of Privacy Practices* packet. In addition, the therapist/counselor/clinical social worker has provided a verbal explanation of psychotherapy/counseling/clinical social work services and privacy practices, to include exceptions to confidentiality. I have been afforded an opportunity to review the *Explanation of Psychotherapy/Counseling Services and Notice of Privacy Practices* packet, other pertinent information, and to ask questions. All questions have been answered to my satisfaction. I am making an informed decision, free of any coercion, to engage in psychotherapeutic/ counseling/clinical social work services, and for purpose of research to have my non identifiable information used. If I would like to withdraw my non-identifiable information from data collection and evaluation, I must submit this request in writing to reception@wtcg.us. I understand that I will not be denied services based on my withdrawal from data collection.

If deemed necessary or appropriate to participate in telecounseling services at West Texas Counseling & Guidance, I agree to the Informed Consent for Telehealth/Telecounseling provided in the Informed Consent for Psychotherapy/Counseling & Receipt of Privacy Practices**.** I have the opportunity to discuss the telehealth policies with my therapist and ask any questions I may have in regard to telecounseling services prior to participation.
